Subject: RE: PFAS/PFOS Guidance

All:

Brittney Bolen, Veronica Darwin and I had a call today with OMB and Maureen Sullivan (we did not know in advance she was going to be on the call). In summary it ended up being a productive call and at the end we explained that the draft guidance was being edited for clarity, but that the substance was not changing. It should be well primed for interagency review.

Just heard from OMB that the subject guidance has been withdrawn from ROCIS/OMB. When it is resubmitted, OMB will give interagency reviewers 10 working days to review.
